

## Pesticide Reporting Resources

- Practical Farmers of Iowa <http://practicalfarmers.org/app/uploads/2014/06/Drift-Brochure-1.pdf>
- IDALS  
[http://www.iowaagriculture.gov/Pesticide/pdf/2015/Enforcement2014\\_06FINAL.pdf](http://www.iowaagriculture.gov/Pesticide/pdf/2015/Enforcement2014_06FINAL.pdf)
- Pollinator Stewardship Council <http://pollinatorstewardship.org/wp-content/uploads/2015/05/Quick-Guide-to-Reporting-a-Bee-Kill-Incident-Final-03062015.pdf>
- Your Local Government may have a Mosquito Control Program that could be administered by any department, and City Hall is your first stop. Departments include Park and Rec, Public Works/Services, Community Development, etc.
- Insurance against drift <http://www.panna.org/resources/fact-sheet-iowa-pesticide-drift-liability>
- Private testing <http://practicalfarmers.org/app/uploads/2016/04/Labs92315.pdf>

## Conversation points for growers and beekeepers
